Evidencing the level of project management knowledge, it gives the holders an extra job market value. The certificate is often a **qualification requirement for management job public tenders**.

1. Fill in your data

Go to ipma.shine.cz to fill in your contact and invoicing data in a short registration form and choose the scope and level of your mock exam (IPMA Level B, C, D).

2. Make the payment

Choose the payment mode you prefer (bank transfer, credit card, eKonto/eAccount or PayPal) and make the payment. You can download an invoice for the advance payment in the application and you will get an invoice when the payment is made for your bookkeeping.

3. The exam rough and ready

The mock exam is designed to simulate the real exam as faithfully as possible. This is why the **time limit** for the test (A, B, C, D) is **60 minutes** – the same as in the real exam. The remaining parts of the exam have **no time limits** and backup copies can be made while working on them. As a whole, the mock exam must be taken within **30 days of the payment date**.

The time limits at the real exam are 35 minutes for the Open Questions is 35 minutes (C, D), 45 minutes for the Task (C, D) and 90 minutes for the Complex Task (A, B). The Mock Exam gives you a unique opportunity to try working under time pressure.

Tip: Write the answers in hand on a sheet of paper and upload the scan/photograph of the sheet as your answer in the application.

4. Feedback

These you can access any time you log into the application.
